LONG-TERM CARE OMBUDSMAN

If you have concerns about the quality of care being received by yourself, a loved one, or a friend in a long term care facility, the Ombudsman Program is here for you. This service provides volunteer ombudsmen to receive, investigate, and resolve complaints made by, or on behalf of, long term care facility residents. It provides for regular site visits by staff and certified volunteers to facilities where face-to-face contact is made with individuals at risk for isolation, exploitation, personal rights violation, and abuse. Call the Ombudsman program at **(408) 944-0567**.
