

APPENDIX B: NEIGHBORHOOD OUTREACH

To our new neighbors at 108 Kennedy Knolls Lane,

We would like to introduce ourselves, The Wall Family, as the new owners of the vacant lot at 16461 South Kennedy Road. Ryan and myself (Deanna) are the parents of Hayden (5) and William (1.5). We have lived in Los Gatos since 2010 completely remodeling a townhouse in the Los Gatos Villages, building a house on Linda Ave. in 2017, to this lot which we have been in the design process for the last 14 months. Ryan and I are both in the construction industry and really enjoy building homes however, we are committed to making this lot our forever home. For the past 9 months we have been working with the Town of Los Gatos Planning Department and our project is getting close to planning approval stage but not quite ready for the Public Hearing yet.

We are reaching out to invite you to a “Sip & See” on our property next Wednesday, August 4th, at 5 pm. The story poles are up, we will have the drawings out, and would like to offer you the opportunity to see the project (as well as meet you) over some wine so the notice letter in the mail doesn’t come as a surprise to you.

Both Ryan and I are fully vaccinated and the children will not be in attendance. We understand everyone’s COVID-19 comfortability with meeting in person may be different so if unable to meet us, I can send you a link by emailing me at dwall@svminc.com, I have provided our contact information below should you have any additional questions.

Looking forward to meeting you,

Deanna
