VERIFY BY HAND TOOLS
PACIFIC GAS AND ELECTRIC CO.**

SJWC makes no representation or warranty regarding the location or depth of any subsurface facilities shown hereon. If you plan to excavate, Calif. Govt. Code, Sec. 4216.2 requires that you notify Underground Service Alert so that subsurface facilities can be marked, prior to excavation. Excavators are responsible for determining the exact location of such facilities by hand-digging per Calif. Govt. Code, 4216.4 (a-b) or by consulting with the SJWC Engineering Department at (408) 918-7360. By accepting this document you acknowledge your legal responsibilities above and agree that SJWC shall not be liable for any claims, damages, or losses related to reliance on this document. Tampering with SJWC's water system will not be tolerated and you will be liable for any damage incurred to the water system. For emergencies call (408) 279-7900. This map is proprietary information of SJWC and any sale or disclosure of such maps or information on them is strictly prohibited. Violations will be fully prosecuted.
