# Blossom Hill Road Traffic Safety Meeting #2

## Location Map

Blossom Hill Road between Camelia Terrace and Hillbrook Drive

# Blossom Hill Road Traffic Safety Meeting #2

## Project Background

- Blossom Hill Road – Arterial Roadway
- Concern about traffic safety and vehicle speeds
- High volume of pedestrians and cyclists during school commute times
- 2020 – Town commissioned Traffic Safety Study
- January 2021 Community Meeting #1 – Presented results of the traffic safety study
  - Recommendations included concrete improvements, striping, and traffic signal modifications

# Blossom Hill Road Traffic Safety Meeting #2

## Project Goal

- Address traffic safety concerns with budget available
- Reduce traffic speeds
- Improve bike facilities
- Enhance sense of security for bicyclists and pedestrians, including school-aged children
- Implement measures by next year

# Blossom Hill Road Traffic Safety Meeting #2
